

Role Of Education And Value Reorientation In Attainment Of Sustainable Development In Nigeria

conducive for learning and should be able to promote and preserve national values and cultural heritage.

Qualified teachers should be employed and provided with attractive remuneration in order to motivate and keep them on the job.

Nigerian schools should be encouraged to use indigenous textbooks, which contain and express our national goals and aims as well as clearly depict our cultural heritage.

National values such as respect for our culture, discipline and patriotism should be inculcated through the teaching of subjects like Religious Knowledge, History, Local languages, Social Studies and Government. These subjects should be made compulsory in our schools and colleges.
